FAITH - HOPE - CHARITY

This chain started in hope of bringing prosperity to you. Within three days, make five copies of this letter, leaving off the top name and address, and adding your name and address on the bottom of the list. Then mail to five of your friends to whom you wish prosperity to come.

However, in omitting the top name, send that person ten cents (10¢) wrapped in paper, as a charity donation. In turn, as your name leaves the top, you will receive 15,625 letters with donations amounting to ~~1,562~~ 1,562.50.

Now, is this worth a dime to you? Have the faith your friends had, and this chain will not be broken.

C H A I N   L E T T E R

Dear Friend:

This chain letter started with the hope of bringing relief and happiness to all tired husbands.

Unlike most chain letters, this does not cost any money.

Simply send a copy of this letter to six of your married friends who are equally tired. Then bundle up your wife and send her to the man on top of the list and add your name to the bottom of the list.

When your name comes to the top of the list you will receive 16,487 women and some of them will be dandies. *dillies*

Have faith in the letter -- ONE MAN BROKE THE CHAIN AND GOT HIS OLD LADY BACK! Don't let this happen to you.

Sincerely,

A GOOD FRIEND

P. S. - At this time of writing, a friend of mine had received 365 women. They buried him yesterday and it took seven undertakers 36 hours to get the smile off of his face.

AGAIN, I SAY, HAVE FAITH.....
